ABOUT ME

I am an enthusiastic and motivated undergraduate student reading for a BSc (Hons) in Information Technology at SLIIT, actively seeking a junior software developer position. Passionate about coding and software development, I am eager to apply my academic knowledge in a real-world environment while learning from experienced professionals. With a strong work ethic, problem-solving mindset, and commitment to continuous learning, I aim to contribute positively to your development team and grow as a professional in the tech industry.
